Kimbilio Prayer news November 2025

Clement mentions the following items for our November prayers:

1. Pray for the children and staff at Kimbilio. The changing season has brought a lot of Malaria
2. Pray for Ian Harvey's mother in England who is ill.
3. Pray for the country's financial situation. Transactions in DR Congo are based on the US dollar. The rate against Congolese francs has gone down dramatically while prices have remained as high as ever. This causes great hardship for the Kimbilio workers and teachers.
4. Pray for the ongoing construction work on the technical school. Pray that it will be finished well so young people can start to study there next year.
5. Pray for the Young Mums who have completed their training and pray that the programme can continue so others can benefit.
6. Continue to pray for peace to come to the whole Democratic Republic of Congo
