**St Thomas Church, Werneth, Oldham - panels above northwest porch doors**

Dear Nick,

Please find information and cost to carry out work to protect 6no small leaded panels (currently unprotected), above northwest porch door with new 8mm u/v stabilised polycarbonate.

**Process for polycarbonate protection**

Drill for st/st black brackets where appropriate

Take templates

Cut new 8mm u/v stabilised polycarbonate shape

Clean windows

Fix polycarbonate with st/st rivets and washers, allowing 4-6mm gap around perimeter to allow for expansion/air flow

**Total cost is £940 + VAT fully inclusive of labour, materials and transport**

Payment due within 14 days of invoice

Please confirm via email if you would like to proceed

If you require further information, please feel free to contact me

Kind Regards

Danny Morton
